**ATIVIDADE:**  
**O QUE ESTÁ FALTANDO NOS ROSTINHOS? DESENHE**

The image contains four simple line drawings of children's faces, arranged in a 2x2 grid. Each face is missing a different feature for a drawing activity: the top-left face has no eyes, the top-right face has no nose, the bottom-left face has no mouth, and the bottom-right face has no ears. The faces are drawn with simple outlines and some hair details.
